

Dear Prospective Student:

Thank you for your inquiry into the graduate programs offered by the Department of Educational Administration and Higher Education at Southern Illinois University Carbondale. We have a variety of offerings designed to meet the needs of individuals for today's job market in both K-12 and higher education administration.

Our six degree and certification programs are as follows:

Master of Science in Education - Educational Administration

Master of Science in Higher Education

*College Student Personnel*

*College Teaching (Admission to this program currently on hold)*

Doctor of Philosophy - Education

*Educational Administration*

Certification Only (Master's Degree Required)

*Type 75 General Administrative*

*Superintendent's Endorsement*

In our programs, we strive to provide a balanced mix of theory with practice. In addition to being excellent teachers, all of our Faculty are involved in research as part of the larger scholarly community or in service with practitioner groups on a state, regional, and national basis.

Of course, students remain at the center of the Department's energies and efforts. While the majority of our students take courses on a part-time basis, opportunities for full-time study with a graduate assistantship are available.

I hope you will take the time to get to know us, both as a Department and as individual staff members and students. Please access our website at [www.coehs.siu.edu/eahe](http://www.coehs.siu.edu/eahe) for more detailed information.

We welcome your application materials for admission. If I can be of further assistance in this process, please do not hesitate to contact me.

Very truly yours,

Kathy Hytten

Professor and Interim Chair

EDUCATIONAL ADMINISTRATION AND HIGHER EDUCATION
